Tutor Group: _____

The motto of Hetton School is '**Respect. Learn. Achieve.**' These are the three core values that have the highest importance for all members of our school community.

As a student I will :

- **R**espect myself and all others in our school
- Have **E**quipment ready in every lesson (planner, pen, pencil, ruler)
- Be **S**mart by wearing the correct uniform and have coats off and hoods down
- Be **P**unctual and always arrive to school and to every lesson on time
- Expect rewards when you do the right thing and penalties if you do the wrong thing
- **C**o-operate with other students and all staff
- Try my very best all the time!

The school will provide a service based around our three core values:

- **Respect** – we will teach students to respect themselves and all others in our school. We expect them to show good manners and politeness at all times. In return, they should expect to be treated the same way.
- **Learn** – students will be given every opportunity in a broad and balanced curriculum to learn and develop academically, emotionally, socially and physically. This will be personalised to meet individual needs.
- **Achieve** – we will support and reward every individual, whatever their ability, to achieve their very best in every lesson, every week, every term, every year and to have significantly progressed by the time they finish Hetton School. Both parents and students will be regularly informed of this progress.
