

Yr11 Summer Exams and Additional Revision Instructions

- During the period following the Year 11 Celebration Day on Friday 10th May, lessons will continue as usual until Friday 14th June.
- **Attendance of your lessons is compulsory** except in the situations outlined below:
 - You are scheduled to sit an examination.
 - Make sure you know the venue of the examination and get there in plenty of time – all details are displayed daily on the exams noticeboard outside the School Hall.
 - You have a timetabled lesson for which the examination/assessment for that subject has been completed.
 - In this case an alternative revision session will replace this (make sure you check the daily timetable).
 - In addition to normal timetabled lessons, specific revision sessions have been organised.
 - Attendance at these sessions comes first (they are more important than attendance at normal lessons).
- You are expected to arrive at school as normal at 8.40am and register with your tutor.
- **Lunch** will start at **12.15pm EVERY DAY from Monday 13th May**. This is to allow you to be lined up outside the correct exam room by 12.50pm.
- It is not acceptable:
 - To be anywhere else on the school site apart from in your lesson; in a revision session or in an examination during lesson time.
 - To ask teachers to miss normal lessons to attend another subject area.

Other Information
